Subject: W9 Form and Site Eligible for Bond Release, Jon Young, Torrey Buff Quarry, S/055/0012, Wayne County, Utah

Dear Mr. Young:

Please fill out and return the enclosed W9 form to the Division of Oil, Gas and Mining. The reclamation surety for the Torrey Buff quarry is in the form of cash held in an account at Zions Bank, and Zions Bank is required by the Internal Revenue Service to maintain this form. Please return the form as soon as possible but no later than December 7, 2014.

The Division of Oil, Gas and Mining inspected the Torrey Buff quarry on May 22, 2013. The site has been reclaimed, is in stable condition, and is considered eligible for partial release of the surety. You may apply for release by submitting form MR-SITE available on the Division's web site at http://linux1.ogm.utah.gov/WebStuff/wwwroot/minerals/permit_forms.html.

Please call Penny Berry at 801-538-5291 if you have questions about the W-9 form. Please call Wayne Western at 801-538-5261 or me at 801-538-5263 if you have questions about the bond release process. Thank you for your cooperation.

Sincerely,

Paul Baker
Minerals Program Manager
